

Autumn is fast approaching and with it all the beauty and splendor of fall colors. The Quilt Shop on Main is up for the challenge with all the colorful samples we have in the shop. We have a busy calendar planned for the fall season with new classes, clubs, and events. We are looking forward to sharing our time and talents with you.

Just call or come into the store to make your reservation. You can drop your machine off the week before along with a check for \$60 made out to Barry Alfano. Machines will be ready for pickup on Monday, September 19.

### **Moda Bake Shop**

The "Moda Bake Shop" will start Saturday, September 10th, at 11:30 and the fee is \$5.00. Cindy Adams will be the leader of this club. We are excited to show our customers the versatility of the Moda pre cuts. Cindy has made three samples for the club. The first one is a Halloween quilt. She used a jelly roll and a charm pack to make this quilt. She will be showing off the other two quilts made with a layer cake and a charm pack. Do not miss out on the fun. Keep in mind that Christmas is approaching and the quilts from this club are fast and fabulous for gifts. The quilts from Moda's Bake Shop are just fun to make.

## **Strip Club**

Nancy Wilhoit has made a striking quilt using red, black and white for our first project for our "Strip Club". You can choose the color red or change it to your favorite color. We are going to meet every other month on the first Saturday of each month at 10:00. The first class will be September. The class fee is \$5.00. We will have your kits ready for you when you come in on that Saturday and we will explain how the quilt was constructed each month. You will have a choice to stay for the afternoon and sew or just pick up your quilt kit. The quilt is just beautiful, come into the shop to see for yourself.
