Color Play Supply List

For this class please bring both a color and a grayscale image of various patterns that you would like to make. Also feel free to bring any fabrics that you would like to use in a quilt but that you are having difficulty deciding which to use where etc...

Other things to bring:

- plain white copy paper
- colored crayons or markers
- pencil

The first two hours of class are a workshop where color value (using lights, mediums, and darks) will be discussed. Color selection using a color wheel will be introduced. The creation of a "Color Journal" will be discussed and how to achieve that "aha" moment.

The last hour of class is intended to be 'hands-on' where you have the opportunity to play with fabrics and create color combinations that work for you.

Several good books on color will also be recommended and you will have the opportunity to look through them. Several are available through our store and you can order them at your class discount.

Supply Discount:

To encourage you to purchase and use the quality sewing supplies that we offer at our store, we offer a 15% discount on supplies for fee-based classes. **Be sure to request a "Class Supply Discount"** when you purchase your supplies for this class at either of our stores. Discount is available only at the time of purchase and does not include the class fee.
