SEWING

Limited Edition

Professional Features for the Designer in You

Built-in stitches, buttonhole styles and fonts
- 129 built-in sewing stitches including 10 one-step auto-size buttonhole styles and 3 sewing lettering fonts.

Back-lit LCD display screen with simple push-button selector
- View the settings for selected stitches, stitch length and width, and the type of presser foot to use on the back-lit LCD display screen.

My Custom Stitch™ feature
- Create personalized sewing stitches and save for future use.

Super bright work area
- Helps reduce eye strain when sewing on dark fabrics.

Advanced needle threading system
- With the press of a lever, the thread is pushed through the eye of the needle.

Built-in push-start thread cutter
- Save time by trimming thread with the touch of a button.

Knee Lifter
- Easily lower the presser foot to reposition or remove your fabric.

Hard cover
- Helps protect your machine from dust.

Included bilingual operation manual

Overview

This Project Runway *Limited Edition* machine fuels your creative impulse to fashion customized clothing fit to fancy your wardrobe tastes. Sew attire that suits your number one customer – yourself! The PC-420PRW is a feature-packed, computerized sewing machine designed to sew the perfect stitch every time. With direct stitch selection buttons, your pre-programmed stitch is ready to use with the simple touch of a button. On top of this great feature, the My Custom Stitch™ feature is a must-have for all designing sewers.

Now you can design your own stitches using the LCD display panel and save them to the machine's memory. Customization abounds with this machine leaving you the opportunity to sew any project you can imagine!
