Snippets from Sandy

I know it's only the beginning of August, but is sure is fun to see the new Christmas, Fall, and Halloween fabric in the shop. I ordered just a few pieces of Halloween fabric to surprise Claudia. We have many new samples to inspire your holiday sewing and will be adding more. Town Square by Holly Taylor, Cookie Exchange by Sweetwater, (both from Moda) and Joy, Love, Peace from Studio E are just a few of the fun holiday groups we have in the shop. We've also got a great assortment of pre cuts for holiday sewing and gift giving. Shop early many of these selections are not reorderable,

Row by Row is in full swing and runs through September 6. We have seen lots of travelers from all over the country. There is still time to get those row by row kits and patterns to make your own personal row by row quilt of your travels. There are still many shops in North Dakota where you can turn in your quilt for a prize. Our "Cupcake Court" has been very popular. Jennifer has done a great job designing our row and Diane has been busy cutting kits. Hurry in to purchase your kit before they are gone. We have Ackfeld hangers for your row by row quilts or individual rows. There are also other

patterns, fabric plates, pins, and special row by row fabrics.

I am off to Brother Convention the first week of August. Join me on Tuesday August 9 at 2 pm and I will share all I have learned at convention. There will be some new products, upgrades, and lots of exciting things to share. Be the first to learn what's new.

The Dime Event is fast approaching. If you haven't signed up, you should. Lisa Knight is a fun lady and has lots of great information to share. I spoke with her again the other day and she wanted me to be sure I let everyone know that this program is great for quilters as well as embroiderers. For the low price of \$29.00 you get lots of great information, some free designs, and lunch. Hope to see you there.

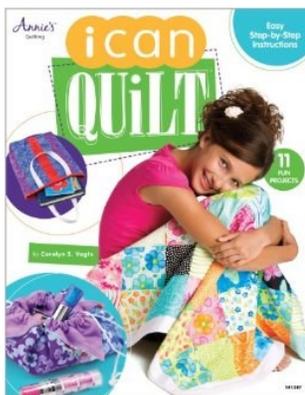

We will resume our full class schedule in September. If there is anything special you would like to learn, please let us know. September 9 & 10 is the Anita Goodesign Event we are hosting at the Country Inn & Suites. Learn new embroidery techniques while stitching with friends old and new. Your cost of 99.00 will include the use of top of the line Baby Lock Destiny machine, all supplies, and lunch for both days. Great way to try machine embroidery before you invest in a machine. All the designs are mutlifomat so even if you already have a machine, you'll still be able to use the designs.

Customer Tip:

Linda has a suggestion for cutting those square with a 7/8" measurement. Use pink perfection tape by Floriani to mark your ruler. If you put two layers of tape on the underside of the ruler it acts as a ledge to slide your fabric up next to so that you can make accurate cuts.

Happy Sewing,

Youth Sewing

This year we are going to work through the book "I Can Quilt" by Carolyn S. Vagts. Purchase of the book will be required for class and book must be brought to class. Each month we will be completing a different project. Students may pick and choose which months they want to attend; they are not required to attend all 12 classes. The class fee will vary by month depending on the amount of fabric used as all fabric will be included.

Use of a sewing machine will also be included in the class fee.

If you have purchased a machine from Rae-Bon please feel free to bring it, so you can continue to get to know your machine.

Parents, Grandparents, or adult friends are welcome to come assist their budding sewer.

Comfort Muscle Wrap

In August, we will be making a comfort muscle wrap. Class fee of \$15 includes fabric, thread, and use of our machine.
