Snippets from Sandy

Now that the hustle and bustle of the holiday season is over and all holiday decorations are packed away, we can start some new projects.

Have you made New Years resolutions? Is one of them to get more organized? Then our Let's Get Organized Club is for you. Each month Sheri will demonstrate techniques for a new bag. Your skill level in bag construction will build as the year goes on. See page 5 for details or stop by the shop for more information.

Maybe your resolution is to try something new. Charmed Adventure Embroidery Block of the Month could be just what you are looking for. You can work on this project in our classroom during the day and/or evening or pick up your monthly information and sew at home.

Maybe your resolution is to get together more with friends. Sign up to sew in the shop on our open sew Thursdays and be sure to come to Demo and Dessert each month.

Whatever your New Years resolutions are, we have something to inspire you. We have new fabric lines from Moda (Desert Bloom), Dear Stella (Foxtail Forest), Henry Glass (Doodle Days Calendar and Woodsy Wonder), and more colors and prints of Shannon cuddle. Have you started quilting with machine embroidery yet? Edge to Edge quilting has the new Expansion Pack 6. The exciting new cork fabric has arrived in colors. We now stock red, black, brown, navy and natural.

There will be more new clubs and classes coming in February and March, so watch the emails and newsletters for updates.

Happy Stitching,

P.S. We'll be closed Monday, January 2 to take Inventory.
