## Snippets from Sandy

Hello all,  
As I write this column, Cindy and I are on our way to Baby Lock Tech. We are anxious to see all the new products Baby Lock has to offer. I know we will be working on the new "Destiny". Wow! Cant wait. Brother and Baby Lock have really come out with a fabulous top of the line machine. I can't wait until we get them in the shop so I can share all the awesome features with you. Wait till you see how you can scan clip art into the machine and turn it into embroidery all on your machine. Using the camera, you can see where your stitching will be on the machine screen and adjust your stitch width and length accordingly. I hope you are all watching the videos you get in your email. We are trying to keep up posting them on our Facebook page.

You will all be seeing a new face around the shop. We would like to welcome Dianne Gullickson! She has lots of experience in machine embroidery and quilting. Dianne is creative as well as calming. Maybe her calming presence will rub off on me.

I can't believe its only a month and a half until Eileen Roche and Marie Zinno, the Stitching Sisters will be here. I am so excited to welcome them to our shop. If you haven't already signed up, be sure you do so. You don't want to miss out on this great event. For those of you who don't already machine embroider, this is a great time to test the waters. All machines, supplies, and lunch are provided for both days. Bring a friend and share the excitement!

This is pretty close to our September first behind the Red Door announcement. So here it goes. We are adding Husqvarna Viking sewing and embroidery machines to the shop.

Congratulations to Karen Egeberg! She guessed correctly on our second clue. Karen wins a Viking E10 sewing machine. A few machines will be arriving by September 1. Viking convention is the second week in September, so more will be arriving after that.

The Indian Summer Quilt Show and Conference is only a few weeks away. I hope you have already entered all those prize winning quits. The shop will be open until 8:00 pm on Thursday, September 18. We will have specials throughout the shop and our prize wheel is back. See page 8 for more information. See you all there!

Driving and writing is tough. Cindy is getting a little nervous. Happy sewing.

*Sandy*
