Designed by a Quilter, for Quilters.®

## HQ Sweet Sixteen

If you love to free-motion machine quilt but struggle to fit your project in a small throat space, you're going to love the **HQ Sweet Sixteen**®. Sixteen inches of throat space gives you room to quilt even a king-size quilt. The smooth surface of the included table allows your project to glide under the needle. The powerful motor handles quilting with ease and stitches up to 1500 stitches-per-minute. Choose your three favorite top speed settings, on the easy-to-use color touch screen and let the machine remember them.

## HQ<sup>18</sup> Avanté

For the quilter who is looking for more quilting space, but wants a machine that makes the most efficient use of a quilter's reach, the **HQ<sup>18</sup> Avanté** offers precision stitching with 15" of quilting space. Multiple track, table and frame options are available to suit your budget.

## HQ<sup>24</sup> Fusion

Sometimes a quilter's vision needs room to expand.

The **HQ<sup>24</sup> Fusion**® offers precision stitching, personal lighting options and a full 20" of quilting space so you can quilt even the biggest ideas.
