Seams Like Home

Welcome to a New Class Session!

NEW Longarm Rental & Certification Class:

Do you have quilt tops upon quilt tops ready to be finished, but not enough space to get them quilted yourself? Seams Like Home is now offering Longarm rental on our Bernina Q24 machine.

All you need to do in order to get started is sign up for a Longarm Certification Class, where you will learn how to load a quilt, thread the machine, wind a bobbin and basic machine operation.

The BIG benefit to renting our longarm is that you will have an SLH Longarm specialist right there with you during your rental period, just in case you need a hand or design consultation (aka – we're willing to give our opinion on designs!).

Available Certification Dates
