### **Class Description:**

Join Gene and learn the ins and outs of making clothesline bowls. The bowls are made out of unwrapped clothesline and thread they are really fast to make and are great fun. The baskets can be made in a variety of sizes and shapes. Different design ideas will also be discussed during the class.

### **Required Supplies:**

- A working sewing machine with the ability to do a zigzag. Also the foot pedal and power cord.
- Thread for construction. Can be either all purpose or a poly decorative thread. Rayon thread is not recommended.
- Cotton clothesline
- Scissors that can cut the clothesline.
- Size 90 or 100 topstitch needles – depends on thread choice.
- Sewing Pins – the longer the better. Also really thin ones are not a good choice because they will bend.

### **Optional Supplies:**

- An Open Toe Embroidery Foot
- Any other supplies that you like to have
