Class Name: V8 is great – Part 1 – The basics

Teacher Name: Gene Looman
Email: gene@aksewinman.com

Class Description:

Hey BERNINA Embroidery Software V8 owners this class will give you a strong foundation in the overall use of V8. We will cover the basics including but not limited to: Care and Feeding of the software, Opening designs, saving designs, lettering basics, using basic editing features, learning all about the different backgrounds in the software to aid in creating awesome embroidery designs. This class is a requirement to take any of the other parts.

Required Supplies:

- Laptop with V8 Software installed
- Power Cord
- Mouse (Optional but the program is much easier to use with one instead of just the track pad on the laptop)
- Pen (writing utensil of your choice)

Optional Supplies:

- Small table top light

***Notes:** anything else you'd like to mention to your students
