March is National Quilting Month! Look at all the quilting classes planned for the month. The promised block-of-the-month series will start in both stores. Stephanie will return to both stores with her great Introduction to Free Motion Quilting class. Whether you are an experienced quilter, a beginner, or somewhere in between, there is a class for you to learn or practice skills

and enjoy the fellowship of sewing with others. Join in the fun.

Customers have been asked to share their quilted projects during the month. Displays will be at both stores for you to admire and become inspired. There is still time for you to bring your project.

Anita Goodesign week will start on a Saturday and end on the following Friday. There will be specials on designs and a new project available, "Free Motion Diamond Blocks".

In addition, there are specials on machines. Frequently the pictures

are not available as soon as we need them for the monthly newsletter so if you have e-mail, be sure you are registered and check the update sent every Monday morning. As the pictures become available they are included. They are also posted in both stores.

Here's to a great month for quilters and everyone who likes to sew! Thank you for keeping Sew What's New as a part of your sewing life. You are SEW appreciated.
