## League Rules

*High School Football rules will govern.*

**Game Time:** Four - 12 minute quarters. Clock will run straight through, stopping the last two minutes of the 2<sup>nd</sup> quarter and the last four minutes of the 4<sup>th</sup> for penalties [out of bounds, incomplete pass, change of possession. The clock will start off the snap in the two minute and four minute windows. After the ball is set, the offense has 30 seconds to get a play started. Three time-outs per half. Five minute half-time.

- ◆ Overtime: 4 plays from ten yards out. Both teams will have even series. 2<sup>nd</sup> overtime teams must kick extra point. All OT's after will be field goal try from 10 yard line until a team wins.
- ◆ Mouth guards are mandatory. If a player is without his mouth guard, the play is dead, a five yard penalty will be awarded [replay the down] & the player will sit out one play.

**Weight:** Players 115 pounds and under are eligible to carry the football. Players over LISTED pounds may not be used as BLOCKING BACKS, RUNNING BACKS or RECEIVERS. QUARTERBACKS may exceed the weight limit, but may not cross the line of scrimmage with the ball and are subject to the "in the grasp" rule in the backfield. If a person over WEIGHT LIMIT intercepts a pass or recovers a fumble, he can advance it. No orchestrated plays! On Defense X men may play any position. Players not eligible to carry the ball will have helmets marked with a black "X". Any player or coach that removes the "X" from a helmet will be disqualified for the remainder of the season.

XMAN may: play QB (cannot advance the ball), punt (cannot advance the ball), return fumbles or interceptions and play any defensive position.

XMAN may not: return punts or kickoffs (ball is dead at spot where they control ball), line up or play any position in the offensive backfield or catch a pass as a Tight End (can play TE if lined up on the line of scrimmage and not split out, if they go down field on a pass its ineligible receiver downfield).

**Playing Time:** Each player must play at least 10 plays per game. It is the coaches responsibility to make sure this happens. Kickoff, Punt and PAT's will be counted as a play. Players may be disciplined for not attending practice, but this should not serve as a way for coaches to skirt around the rule. It is the belief of the league that a good coach will find a way to help players improve and not be a liability to the team.

**Blitzing:** 6<sup>th</sup> GRADE - 11 can blitz, only 5 coming from within the tackles, must be lined up as down lineman in a 3 point stance.

**Scoring:** A team more than 20 points behind may opt to receive the kick-off after a touchdown by either team. This helps to control a game that may be turning into a severe blowout. A on-sides kick would be poor sportsmanship in this case. You may show your colors!

- ◆ Extra points will be obtained by kicking, running or passing for 2. Try will snap from the 3 yard line.
- ◆ In kicking Field Goals & PAT's, **5th & 6<sup>th</sup> grade only: No defensive rush and No fake kicks.** Snap must be clean and kick away with in 5 seconds.

**Conduct:** Any punch will be a 15 yard penalty and the player must be removed from the game for the series and possible ejection at the discretion of the official. If a player or coach is ejected they will be suspended for the next football game.

**6th grade** coaches ( 1 Coach) is allowed on the field for the first game of the season Offense & Defense. Coaches must be silent once the huddle is broken and during live action.
