DEB TUCKER WORKSHOPS

In 2017 we are changing the format of the Deb Tucker classes. Instead of a year-long Block Of The Month project, we will be offering Deb Tucker Workshops. There will be a different Workshop most months with projects that can be finished in one class, however, some Workshops will be a series of two or three classes. All workshops will be taught by Jackie DeVall, certified Deb Tucker instructor.

BREAD AND BUTTER TABLE RUNNER

One of Deb's most popular patterns, and using only one tool — the Tucker Trimmer 1 — this table runner can be completed in one class. In this Workshop, you will make the runner and practice making other units with the Tucker Trimmer that aren't included with the runner pattern.

This pattern is perfect for those new to Deb's tools, or a really quick and easy project for those more experienced with the tools.

Required: Tucker Trimmer 1, Bread and Butter runner pattern. Class fee \$25

Saturday, January 28, 9:30—4:00 Simi Store

STORM AT SEA WALL HANGING

In this workshop, we'll make the ever popular Storm At Sea pattern. If you've tried this before, you've probably found that it can be a challenge to get the units just right. With Deb's tools, perfection is easy!

Required: Diamond Rects, Square Squared. Pattern included with the class. Class fee: \$25

Tuesday, February 7, 9:30—4:30 Simi Store

RANGELY WALL QUILT

This wall hanging uses only one tool -- the Tucker Trimmer 1! The star block in this quilt looks complicated but it is so easy!!! The quilt finishes at 32" x 42", but can be changed with the size of your borders. Makes a great table topper, too. Most of the quilt will be finished in class, but there may be some finishing at home.

Required: Tucker Trimmer 1, Rangely Wall Quilt pattern. Class fee \$25

Tuesday, March 7, 9:30—4:30 Simi Store

Deb Tucker tools and patterns can be ordered through Kingdom. Orders must be placed two weeks prior to class.

**Kingdom Sewing is your headquarters for
Deb Tucker Tools, Patterns and Classes.**
