9" x 7" - back

9" x 5" - bottom front

Lining:

9" x 5" - bottom front

9" x 2 $\frac{1}{2}$ " - top front

9" x 7" - back

Warm and Natural

9" x 4 $\frac{1}{2}$ " - bottom front

9" x 2 $\frac{1}{2}$ " - top front

9" x 7" - back

Ribbon

3" gross grain ribbon

Assembly:

1. Hoop Tear Away Stabilizer
2. First Stitch - Zipper Placement on Stabilizer only
3. Place zipper in between placement stitches with zipper pull towards the top, tape in place. Stitch zipper in place. Remove tape.
4. Take hoop off machine. Turn to backside. Place bottom front lining piece long edge right side down along the placement line closest to hoop handle. Tape in place
5. Turn to right side of hoop. Place bottom outside fabric right side down along left edge of zipper. Make sure it is centered on placement line. Tape in place. Stitch to secure fabrics to zipper. Remove tape from front.
6. Place bottom front batting piece along the edge just sewn. Flip down outside bottom fabric. (Do not flip down lining at this time) Stitch tack down and stippling.
7. Stitch Robbin
8. Remove hoop from machine. Turn to backside. Flip down bottom front lining piece, tape in place. Take top front lining piece and place long edge right side down along the other placement line. Tape in place
9. Turn to right side of hoop. Place top outside fabric along right side of zipper. Stitch to secure fabrics to zipper.
10. Place top front batting piece along the edge just sewn. Flip down top outside fabric. (Do not flip down lining at this time) Stitch tack down and stippling.
11. Remove hoop from machine. Turn to backside. Flip down top front lining piece, tape in place.

12. Turn to right side of hoop. Unzip zipper 2/3 of the way down. Stitch placement stitch for ribbon.
13. Fold Gross grain ribbon in half and place on placement stitch with fold to the inside and raw edge hanging over stitch area about $\frac{1}{2}$ ". Tape in place. Stitch in place.
14. Place outside back fabric right side down. Place Warm and Natural back piece on top of outside back fabric. Stitch a short stitch to secure bottom of bag.
15. Remove hoop from machine. Turn to backside and place lining fabric right side down, tape in place.
16. Turn to right side of hoop, return to machine and stitch final stitch. This will leave an opening to turn the bag right side out.
17. Remove from and remove from hoop. Tear away stabilizer. Trim $\frac{1}{4}$ " all around except at opening where you should leave at least $\frac{3}{4}$ ". Clip corners.
18. At opening, trim all fabrics and batting except for the lining fabrics.
19. Turn the bag right side out through the opening, push out corners. Whipstitch opening.
20. Remove Tear away stabilizer from zipper area. Unzip the zipper all the way and turn the bag through the zipper opening. Push out corners, zip up the zipper and lightly press.

Enjoy your ITH zippered bag.
