

## Collage Quilt Class Supply List

Thursday September 21 or October 26 or November 30th or December 14th

10am to 4pm

Instructor: Marlyn Black

Fiberworks Collage pattern of your choice by Laura Heine (Required for each person.)

Collect a large assortment of fabrics with floral motifs, shapes, or objects in colors of your choice. You will need some blenders or small prints that coordinate.

Collage foundation in the size determined by your pattern. (Pattern ease, cotton voile, and lightweight muslin all work for a foundation)

5-6 yards of 18" Steam a Seam 2 (This is required because it can be repositioned.)

Applique pressing sheet

Black fine tip Sharpie pen

Small scissors that are good for cutting details

Large scissors

DO NOT select a background fabric until class is over.

I will be showing you some different options and the pattern gives you some information regarding a background. When you complete your collage, you can audition some different backgrounds to find the best one for your project. (Ask me how I know this? It is based on my experience with this project.)

You will NOT need your sewing machine for class.

Preparation prior to class:

Read through the pattern.

A bulk of the project is dedicated to scissor cutting out shapes needed, so the more shapes cut, the more placement can be done in class.
