This class is intermediate to advanced level patchwork, but is open to all levels of opportunity and skill. An open mind and lots of creativity are your best tools!

Each month templates and patterns will be provided in class. If you purchase the fabric kit, all 144 unique pieces will be provided at once, in your first class, so that you can look ahead to where you want to go with your version of this gorgeous quilt.

If you choose to bring your own fabric, we recommend 9 yards of a great variety of light and dark pieces. Please bring these to your first class. We will cut out and sew at least one complete block in class each month.

To make your quilting more enjoyable, please bring to each class:

- Your sewing machine
- A rotary cutter, 28mm is advised but any size will do
- Neutral thread and a sharp pair of snips
- Fabric marking pen with long tip and pins
- Your own rotating cutting mat and 12" ruler
- Your own portable iron and ironing mat
- 12 sandwich size Ziploc baggies to put each month's templates in as we go

Cutting mats, rulers, ironing boards and irons will be provided in class if you would rather use those. We will go over several of these notions, and as always, they will be available for purchase at The Quilter's Lodge before or during class.
