Rotary cutter and cutting mat

Neutral piecing thread

Scissors

Seam ripper

Pins

Fabric pencil or mechanical pencil

12 1/2" Square quilters ruler (or larger if your t-shirts are big, smaller if your t-shirts are child size)

T-shirt Quilts by Linda Causee

Suggested: graph notebook and color pencils

9-18 clean t-shirts

1 t-shirt back to use as a pressing cloth

Pellon Fusible Non-woven Interfacing, light. The interfacing is 20" wide – wide enough for one t-shirt – and you'll need 15"-18" per t-shirt you plan on using. If you're using 9 t-shirts (about 12 1/2" squares) x 15", you'll want to purchase 135" (or 12 ft. / 4 yards). Purchase more if your squares are bigger 12 1/2" and if you're using more than 9 t-shirts.

Portable ironing pad and iron (not required but we have only three irons for the class to share)

Smart Phone / ipad App, Free from Robert Kaufman, Quilt Calculator (not required but nice to have)

## **Fabric Requirements**

### **Finished Size will vary depending on number of t-shirts used and design**

Fabric for sashing, posts, binding and backing. Amounts will vary according to design and are not needed for the first class.

If you have time, you can prepare the t-shirts for the first class.

Trim away the collar (as close as you can!), sleeves and trim up the sides so you just have the t-shirt fronts.

Save one t-shirt back to use as a pressing cloth

First class, you will select a pattern from the T-shirt Quilts book and learn to modify a pattern to suite your t-shirts.

You will prep (fuse interfacing) and trim the t-shirt fronts. If you have your sashing fabric or choose it from the store that evening, you will also cut your fabrics. We might not sew on the first night. The second and third classes, we will assemble the blocks and the quilt top.
