

Toni's Timeless Travels: November 9-11, 2017

Meet Toni Steere!

Timeless Treasures introduced a New Program this summer, Toni's Timeless Travels, and we are thrilled to be among one of the first shops in the country selected to present this program!

As a pattern designer, sales representative and former shop owner, Toni has 30 years of quilting and teaching experience. You may know Toni through her pattern design company, Wing and a Prayer Design -- the name behind our popular Block of the Month programs and fabric collections!

Tips, Tricks and Techniques

Saturday, November 11, 2PM-6PM

Toni shares "everything I've learned in 30 years of quilting," condensed into an afternoon workshop as she teaches the nine blocks which create the center of her new "Mystical Prism" quilt. Resembling a kaleidoscope, the Mystical Prism quilt uses traditional piecing with unusual fabric color combinations. Master the Creative Grids 2 Peaks in 1 Triangle ruler in class. For those participating in our block of the month, Mystical Prism, this workshop will be a great start towards making the quilt. For those not doing the BOM, this can be finished into a 42" square wall hanging or throw size quilt. Class Fee: \$40
