

# Alor & Bali, Indonesia

## September 3 - 19, 2016

Biodiversity at its best...that is the only way to describe diving in Indonesia. We will be exploring two unique areas of Indonesia: **Alor and Bali**. From muck diving for some of the most interesting critters in the sea, to diving with big pelagics, this trip has it all! In addition to diving in Bali, we will experience the beautiful island topside and visit with its friendly people. You will be spoiled from start to finish.

We'll spend nine nights on the WAOW. This luxurious liveboard offers amenities including spacious cabins, private bathrooms, large salon, expansive leisure deck, covered outdoor dining area, laundry and massage service.

After Alor, we will wind down the trip with four nights in Bali at Scuba Seraya Resort. This resort is on Bali's north-east coast, wedged between the sparkling waters of unspoiled Muntig bay and the holy mountain, *Gunung Agung*.
