

Cayman Aggressor

May 28- June 4, 2016

Just 480 miles south of Miami are the **Cayman Islands**. This tropical paradise is a haven for scuba enthusiasts and one of our favorites at One World Dive & Travel. Diving in the Cayman Islands offers pristine reefs, breathtaking wall dives, exciting wrecks & excellent visibility. Cayman boasts amazing canyons, walls & sand chutes decorated with brightly hued sponges, corals & sea fans. Cayman's trademark turtles are a common sight as well as eagle rays, groupers and reef sharks.

We will be staying onboard the **Cayman Aggressor IV Liveaboard**. Each room has individually controlled air-conditioning and en-suite bathrooms. The salon has an entertainment center, wet bar and is where you'll eat your delicious meals throughout the day. There is a sun deck for you to soak up the sun, sit in the hot tub and take in the beautiful sunsets at night.

We will be diving along Cayman's famous walls, reefs and wrecks while we visit the islands of Grand Cayman, Cayman Brac and Little Cayman (weather dependent).
