BINDING

Laurie asked me to begin a Word of the Week section of the newsletter. So here we go! If you have any suggestions or requests please send them along. This week it's BINDING!

"Binding: A strip of fabric sewn over the edges of the quilt layers to finish the raw edges, add strength, and/or decorate the edge. Normally a binding is sewn on one side, then brought over the edge to the other side where it is secured, but a binding can also be a part of the backing wrapped over to the front. Can be straight or cut on the bias." - Quilt Terms

My favorite binding items are:
Robert Kaufman Quilting Calculator App
(It's free and can be found on your phone's app store)
Binding Ruler for Flange Binding
A Diary of a Quilter & Cluck Cluck Sew blog posts.
FOR THE FOODIE

15 Minute Healthy Roasted Chicken & Veggies

I actually made this one and it was GREAT! Stick with the 15 minutes...I went with 20 and it was too long. I will make this one again for sure.
