We also post store closings on our website, www.capitalquilts.com, and on Facebook. Classroom sewing machines are available for rental during a class. There is a $10 fee per class session. Quantities are limited, so please ask to reserve a machine as soon as possible. Plan to come to the shop early on the day of class so that we can show you how to thread and operate the machine.

Finishing:
There is a product on the market that works wonders for hanging round and odd-shaped wall-hangings. The Gone Sleeveless Wall Art Hanging Systems makes a plexiglas hoop that when slipped through the circular binding keeps the wall-hanging in tension so that it doesn’t flop or fold when hanging on the wall. I used their 31”-45” circular hoop for the Dragonflies wall-hanging. The hoop can be purchased at Capital Quilts.
