#### - New Classes Galore!

January was a busy month on the "Classes" front with the booking of Quilt'n Thyme's classroom with new classes and workshops, one of which extends from early February through May.

Deb Portelance and Sherry Bishop have extended the "Sunday Surpise," a class in which a project is selected for each meeting that can be completed by the end of that particular session, into 2017. This class meets on the second and fourth Sunday of every month.

Rosemary Ingraham will be teaching two classes. The first is "How to Transfer Embroidery Designs to a USB Memory Stick", which first met on January 30th and is again scheduled for February 27th. The second class is "Bernina V-8" class which attendees will learn navigation, tips, and tricks for this powerful software. Quilt'n Thyme will waive the class fee to customers who purchase this software's Version 8 from our store. This class meets on February 4th, March 4th, and April 8th.

Marjorie McGraw will be teaching two classes also. The first is "Forest Friends," a series of four classes in which attendees will create a quilt based upon the pattern FANCY FOREST by Elizabeth Hartman. The schedule for each of the four sessions are February 6тн, March 6тн, April 3RD, and May 1st.

On February 24TH Marjorie will also be teaching a class "Triangle Frenzy" in which attendees will learn the use of 60° Wedge Ruler in constructing a Table Runner or Topper.

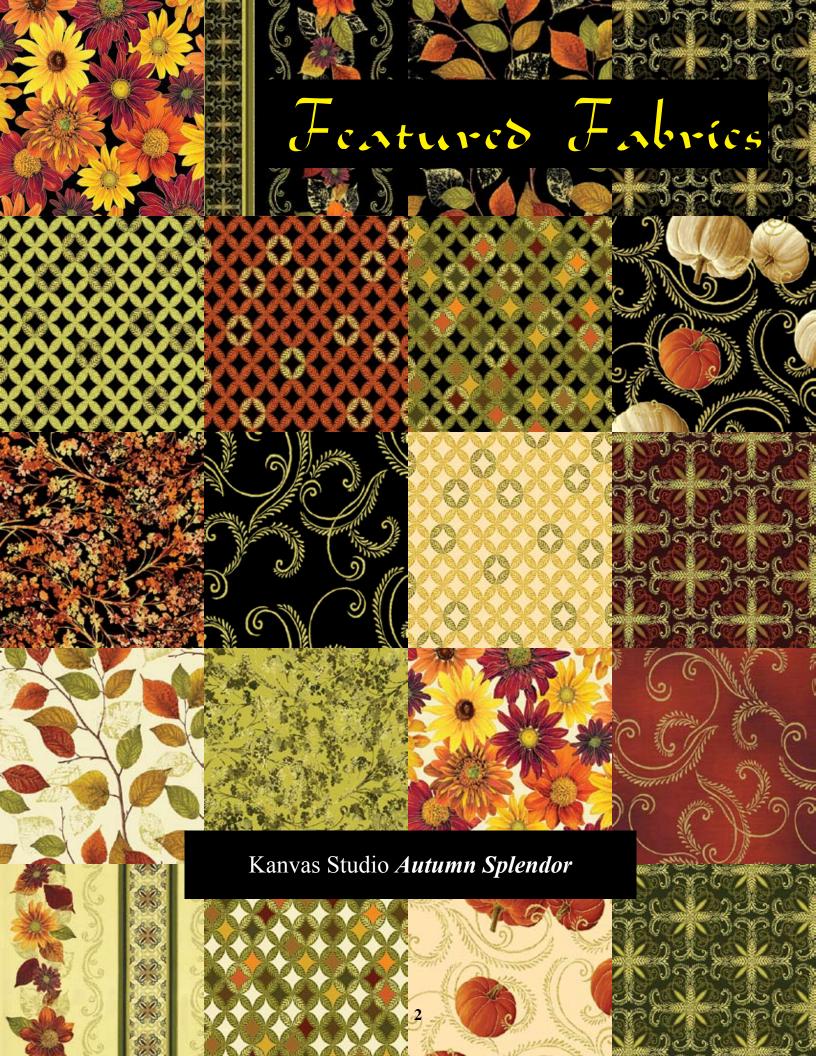

For those interested in learning how to create Cat's Cradle or Split Cat's Cradle units from a set of squares and rectangles and trimming blocks to create perfect triangle blocks without cutting a single triangle, Susan Bellamy will be holding a class, "Creative Grids® Cat's Cradle Tool Workshop," The cost of the class includes a provided kit. This class is scheduled for February 28TH.

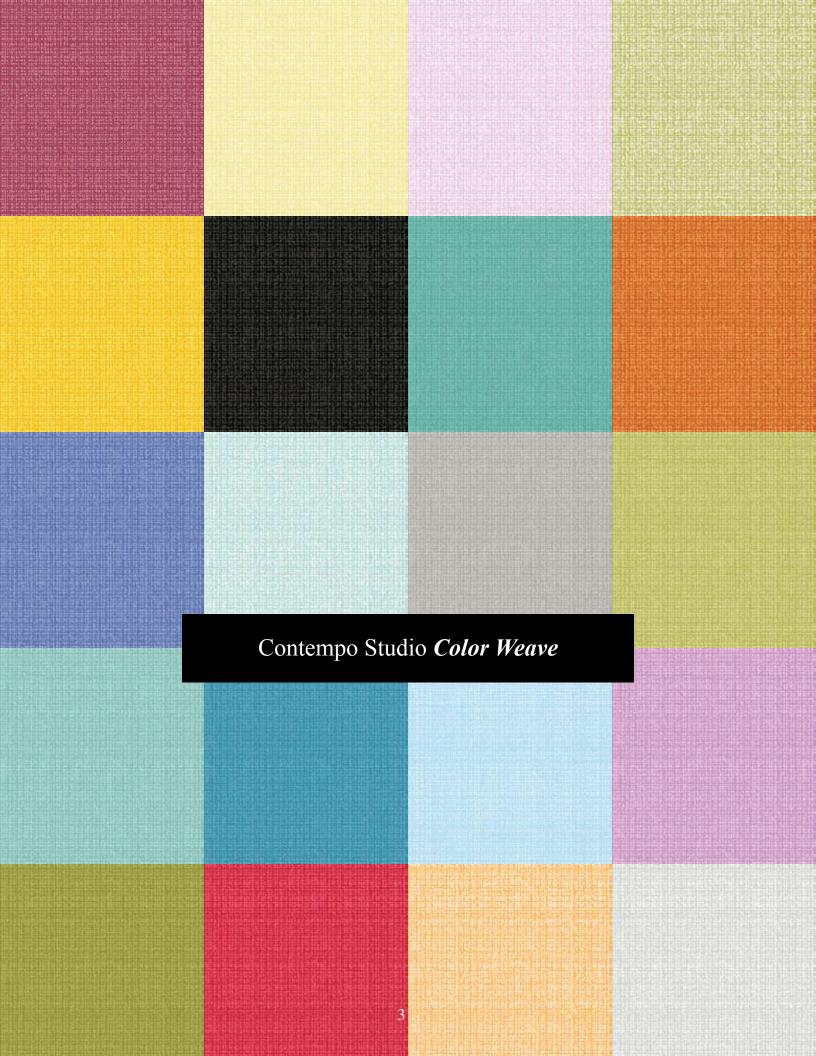

For details on each of these classes, visit our website, at www.quiltnthyme.com, and click on the "Classes" link in the main menu. You can register for all of these classes by visiting our store or on our website.

#### - On the Road Again!

Escaping from the shop, some of our staff will be attending the Sun Country Quilters' Annual Retreat to exhibit some of the many offerings that can be found at our store. The 2017 Annual Retreat will be held at the Tehama County Fairgrounds on February 18th, 19th & 20th. For hours and other detailed information, contact tell\_mavis@outlook.com.

Because there has been a rather extensive increase in sewing class and event offerings, we have had to formalize procedures which will need to be followed by instructors to ensure that space is available and that ample time for promotions and notifications to prospective attendees is given. Quilt 'n Thyme Sew & Vac, Inc. is always on the lookout for adding classes to its roster. Our in-store classroom is provided at no charge, with a capacity of up to 15 students for hands-on training and more for lectures and demonstrations only.

To allow customers time to sign-up for classes and to ensure there are no scheduling conflicts, all completed and approved class information is due one month prior to the scheduled class. If this deadline is not met the class cannot be posted on Quilt'n Thyme's website for attendee sign-up purposes nor will it be included in the newsletter for the month it is scheduled. Contact Josh Steigman at josh@quiltn-thyme.com with your class proposal and to schedule the class. A Classroom Reservation Form will be issued so that the instructor can fill in the required information for posting and publication.
