- **New Class Instructor Introduced!**

Joining our ever-expanding group of independent-class instructors is Marjorie McGraw with her new class offerings beginning in February.

A graduate of Arizona State University, with a Bachelor of Arts degree in Home Economics Education, Marjorie has 28 years experience in teaching Home Economics for both Los Angeles City Schools and the Anderson Union High School District. Added experience entails 5 years of teaching Adult Garment Sewing Classes for Shasta College.

With 20+ years of experience in quilting, she has taught quilting classes in far reaching cities as Ashland, Oregon, Reno, Nevada, Sun City, Arizona, and locally for 10 years in Redding, California.

Her works have been exhibited for several years at the Pacific International Quilt Show in Santa Clara, California; she has received a second-place ribbon for a large quilt at a 2014 judged show in Redding; and she was selected as the featured quilter in the 2015 Sun Country Quilt Show in Red Bluff, California.

Marjorie is a member of both the Sun Country Quilt Guild and the Redding Quilt Sew-Ciety. She has held various organizational positions in the Sun Country Quilters to include Librarian, Block-of-the-Month, Vice President, Workshop Chairman, Scholarship Coordinator, and New Member Orientations Leader.

A saying she heard several years ago she brings to her life as well as her craft: “Its not your aptitude but attitude that determines you altitude.”
