Wild Goose Chase
The No Template Way

Fabrics:
3 different 5 ½” squares for geese.
   You get 4 geese per square.
1 2 7/8” x Width of Fabric strip for background
   Subcut into twelve 2 7/8” X 2 7/8” squares
2 1 ½” X WOF strip for sashing
   Subcut into 1 ½” X 6 ½” rectangles

Draw a diagonal line on the wrong side of the small squares.
With right sides together, align a small square in the upper left hand corner of one of the 5 ½” squares. Pin in place. Align a small square in the opposite corner. Pin in place. (You will notice your drawn lines form a straight line from corner to corner.)

Repeat for the rest of the blocks.

Sew ¼” on each side of the drawn lines.
Cut your blocks in half on the drawn line.

Using a wooden iron, press seams toward the small triangles.

With right sides together, align a small square in the corner of the triangle unit. The drawn line will lay from the corner to
between the small triangles. Pin in place. Stitch on each side of the drawn line.

Cut on the drawn line. You now have 12 flying geese units (4 from each square) that measure 2 1/2” X 4 1/2”.

Arrange geese into a 3 geese unit. Sew together using a 1/4” seam. The units should measure 4 1/2” X 6 1/2”.
Pin a 1½” X 6 ½” rectangle to each side of the flying geese unit. Sew.

Arrange the four units and sew together.

Enjoy!!
