2017 BLOCK OF THE MONTH

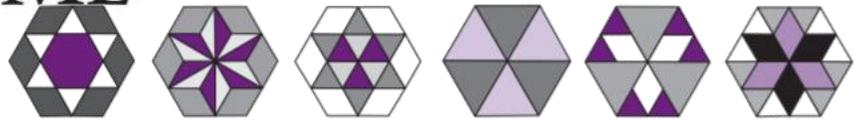

GETTING TO KNOW HUE

Monthly Meeting: Saturday, June 3
9:30am-10:30am

Can't make the meeting, kit will be available
beginning June 1st

From MARTI AND ME HEXIE Club

We know there are quilters who will always "quick-cut" the 90° family of shapes with a 6" x 24" ruler. But not many want to cut 60° projects with that same ruler! Or avoid any block that can't be cut with a basic ruler. The From Marti and Me Hexie Club will give you the confidence to try an alternative and something new.

The hexagon club is planned to start with a very easy equilateral triangles project, no set-in seams, etc., and each month add progressively more skills.

Saturday, June 3 11:00am-12:00pm

The #72 presser foot allows you to sew along longarm quilting rulers to create decorative quilt designs such as lines, feathers, circles, etc. Any commercial Plexiglass longarm quilting rulers with 1/4" thickness can be used with Foot #72. The adjustable height of the foot's sole makes it possible to quilt along all the edges of these rulers which is of utmost importance especially with circles.

Take your quilting to the next level. Move away from loops, swirls, and meandering and add curves, circles, and more!
