Work at Home?

- Want to help out your Guild without leaving the comfort of your own home?
- Have a computer?
- Can work in Excel?
- Have access to the internet?
- Can keep up with your emails?
- Do not like meetings?

If you have answered "yes" to all these questions, then we want YOU!

Your Public Relations Team needs help with updating spreadsheets for Florida/other states Quilt Guilds, Quilt Shops, and Quilt Shows. We will use this information for Showcase, Marketplace, and other Guild Programs.
