- Depart Philadelphia to arrive in Edmonton via Toronto

Cost of the trip is \$4600 CDN.  
Includes all planned activities, flights, accommodation dble occ,  
all planned meals, tours, admissions, all breakfasts, show tickets,  
transportation. (You need lunch and spending money)  
Fluctuation of our dollar could have some impact on the final  
payment. \$500 deposit is required to secure your spot.

While in Pennsylvania we travel in vans with  
appointed drivers and navigators from our group.  
Each van will be equipped with a GPS as well as  
maps, a tour book and a book of ideas and maps that  
I put together. Each day is planned in detail with time  
allocated for meandering the shops etc. Travelling in  
vans gives us the flexibility that the use of buses  
would not. Some tours are on a bus.
