VOLUME 2017—ISSUE No. 2

April • May • June 2017

### *A few words from Monica—*

We'll be **Closed** April 16, Easter Sunday

What a Winter into Spring we've had this year! When Patric & I are out hiking, as we look out from the top of the mountains surrounding our desert, the desert floor is all GREEN! I can't remember it ever looking like this—and I've lived here my whole life. I wonder what summer will bring...

An update on my life: yes, I got engaged on December 20th, my birthday, in Jackson Hole, WY. I must say I am one lucky lady. Patric is a wonderful guy. Our families have know each other since we were kids but he was just enough older that I never really knew *him*. I just think it was our time to meet. The wedding? Who knows...5 years from now on a beach in Bali????

My children and grandchildren are doing great. We are all excited because Maria, and her husband, Andre, are expecting my third grandchild in August.

The classes in this newsletter are also on our website. In fact, because of space requirements in this newsletter, you'll find more workshops and a complete list of projects for some of the bead instructors on line. You can view larger images of projects, download supply lists for the quilt side classes—even register on line. We've got lots of new classes and, of course, we always offer classes to boost your basic skills. Several of our popular classes from last quarter return—like the *Rockport Tote* and *Perfect Binding*.

Want to make sure you always know what's happening and what's new at Monica's? Sign up for *Monica's Message*, our weekly email. You can do that in the shop or on the website. Of course we have lots of fun stuff happening—
