The Clammy is an innovative multi function template that can be used to cut clamshells, circles, half circles, quarter circles, and orange peel shapes! This is the "new and improved" Clammy 12in which now includes registration marks right on the template for easy transfer to your shapes. The Clammy also comes in an 8" and 6" size. Several patterns to coordinate.
Essential Triangle Tool

Turn fabric strips into perfect half- and quarter-square triangles. It's a cinch with Bonnie K. Hunter’s signature Triangle Tool! Use the printed lines (in 2 colors) to quickly make HSTs and QSTs in different sizes, hourglass units, and flying geese. Sew stitch-and-flip triangle blocks from leftover fabric with the Bonus Buddy Ruler, which does triple duty as a ruler and a seam guide for your machine. Quilters of all skill levels will love getting 2 essential tools in one bundle!

Tim Holtz Scissors

Key features and benefits of the Tim Holtz Mini Snip 5"/12 and 7" include:
- Large Kushgrip handles for ultimate comfort and precision control,
- A serrated, titanium-coated non-stick blade designed to cut a variety of materials used across craft projects
- Micro-blades for detailed and intricate cutting. Each has a plastic cap to protect tips.

Do you need a wide quilt back?

Seven new batik bolts have arrived in very pretty colors\patterns. We also have 90 inch wide "Cuddle" for quilt backs.
