WANTED!

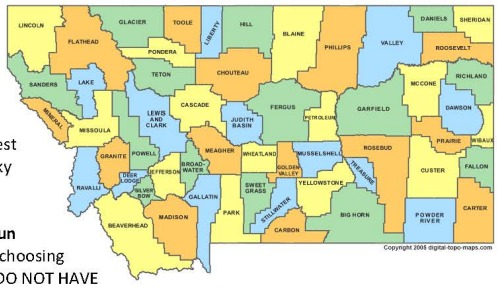
A Quilt From Every Montana County!

The Open Class Quilt Department at Big Sky Country State Fair in Bozeman will present **"56 County Quilts"** at the 2018 Fair, held July 18-22 in Bozeman, MT.

We invite you or someone you know from your county to enter one quilt to represent your county. Quilts will hang all week in one of our exhibit buildings and be a featured attraction for our 2018 Fair – sure to draw visitors from all over Montana. In the spirit of competitive exhibits, they will be judged: a People's Choice award by our fairgoers. The winners shall earn:

- 1st Place $350
- 2nd Place $200
- 3rd Place $100

Further, our official department judge will choose one quilt to be best of show. We will encourage the winning county to display their best of show quilt in their courthouse following Big Sky Country State Fair, and press will be contacted.



So quilt guilds and quilting fanatics, this is the fun competition for you! The hardest part might be choosing which from all your quality quilts to send. THEY DO NOT HAVE TO BE RECENTLY MADE! Heritage quilts also apply, as do theme quilts about your county. And, we will pay for shipping!

Contact our Open Class Quilt Department Superintendent Vickie Johnson at **406-570-0624 or lazyjfour@yahoo.com** with any questions, or go to 406StateFair.com.
