

Crazy Quilt Embroidery

Teacher: Carla Krekelberg

The old and universal craft of embroidery can give you years of enjoyment but like any hobby it takes practice and patience. In this Intermediate embroidery class, we will build on the basic (stem, straight, back, easy daisy, satin buttonhole, fly and feather) stitches. We will learn new twists on the basics to create different stitches. We will use flosses, yarns, threads and embellishments.

All the supplies suggested are optional but highly recommended. Each student can choose their own color scheme. A \$1.00 fee will be paid to the teacher to cover the cost of the fabric square and instruction sheets for the class project.

Supplies:

- 1 skein of embroidery floss
- 1 skein of perle cotton
- 6" embroidery hoop
- Package of 5/10 embroidery needles
- Small Sharp embroidery scissors
- Round needle grabber
- Thimble

All materials may be purchased at Pacific Fabrics with a 10% discount. Please mention that you are buying supplies for this class at the register to receive this discount.
