

# CREATE A CORSET - MATERIALS LIST

## Pattern:

For the best results, I will draft a custom pattern for you (at no charge). Please contact instructor at least 1 week before the class with your measurements to include: full bust, waist, underarm to waist, bra cup size and hip.

Lori Edwards 425-948-6051(hm) or 425-657-4014 (wk) or lori.edwards@buildwithbmc.com.

Please be aware that this is a Victorian style corset that covers just above nipple level on the bust and 1" below the hip.

## Fabric: (prewashing not necessary)

1 yd outer fabric (can be decorative or plain) 45" or 60"

1 yd canvas or duck (inner lining/foundation) 45" or 60"

## Hardware:

- 1 12" Corset busk (Metal Loop and Stud Corset Closure)  
sizes 16 and over will need a 14" busk

1/2" wide flat steel bones in the following sizes:

(these are approximate – sizes over 16 may need longer stays)

(8) 12"

(4) 11"

(2) 10"

(2) 9"

- 24 1/4" 2-pc grommets (with setter)

## Notions:

- 1/2" extra wide double fold bias tape to bind top and bottom of corset 1 package
- Wide single fold bias tape for bone casings – 2 packages
- 5 yards cording for lacing

## Basic Sewing Tools:

- Sewing machine (if you need to reserve one for this class, please do so with a sales associate at Pacific Fabrics)
- Shears, Pins, Thread, Marking pencil, Small hammer, Ruler
- Please bring a tank top or chemise to wear during fittings.

Please contact the instructor before any substitutions are made with regards to materials or if you have any questions.

All materials may be purchased at Pacific Fabrics with a 10% discount. Please mention that you are buying supplies for this class at the register to receive this discount.
