

# LAST MINUTE REMINDERS- Posted August 30, 2017

Please review all of the retreat info posted previously. It is a good idea to print it out so you have the info in hand.

**You will NEED A CUTTING MAT!! Make sure to bring one.**

**Don't forget your LONG, HEAVY DUTY power cords and power strips!!!**

## Monday Morning Shopping-

Sassy Stitches (formerly Deb's Cats N Quilts) will be open on the Monday of each session at 9 AM with a special sale just for those heading to the retreat. Stop in to say hello to Lindy and of course to shop!

## MINI CLASSES

You will notice we have a table designated for mini classes on the seating chart. We will use this area all week for mini classes. We will announce and show you all of the mini classes on Monday during our 12:30 announcements, and you will be able to sign up for the ones that interest you.

Things to bring for the mini classes:

- If you have a glue gun or craft glue, bring it!
- If you have wonder clips- they will be helpful in one of our craft projects.
- If you have Creative Grids® tool that you'd like a refresher on, bring them. We will have a class just for that!! Bring fabric for the rulers you need help with.
- Want to learn how to make pineapple pinwheels? We'll have a mini class for that too! If you have the pineapple trim tool, bring the tool, but don't worry if you don't. I'll have several to share. For this mini class, you will need ½ yd. background and ½ yd. cuts of 2-3 additional colors. (I'll also have a few a few kits for sale for these)

**MYSTERY Quilt-** It's not too late to sign up for the mystery. (Just email me ASAP so I Print enough clues) My sample turned out great and I think you will love how easy it is to customize this pattern for any occasion. Bring a jelly roll and 2 yards background fabric if you think you might catch "mystery fever."

## Session 2-Table Assignments

Many of our week 1 participants were not able to get to retreat because of Hurricane Irma and the Dillard House graciously worked with me to allow them to attend week 2.

I am happy that you will be able to enjoy this week with us and hopefully relax and de-stress after a week of hurricane woes.

**Week 2 tables assignments will remain the same as planned. Week 1 participants that moved to week 2 will be kept with your table mates and these new tables will be placed in areas that will not place too heavy of an electrical draw on the building. (table 4,8,9) We will be one large, but very happy group!**

### Christmas Quilts

It has been suggested that it would be fun to bring your favorite Christmas quilt to show. I love that idea so if you have one- bring it !!

### Fabric and Patterns-

Don't forget your patterns and fabrics for the projects you plan to work on. Most were mailed (as requested on your form), but if you asked me to hold your patterns, I'll have them for you when you check in.

**Don't forget your Sewing machine cords and presser foot! These items are easy to forget so double check.**

**Don't forget-** Comfy clothes, any daily meds, glasses or contacts, a sweater or jacket, bedroom shoes or something comfy to wear in the conference room, special drinks for the fridge in your room (this is a COKE facility so if you are a Pepsi person like me- bring your Pepsi).

There is a Fred's (five n dime type variety store), a Piggly Wiggle (grocery store), and an ACE hardware store about a mile away if you forget anything.

See you very soon !!!!
