

UINTAH DAYS - JUNE 9, 2017

Touch-a-Truck & Car Show

**Friday June 9th, 7-8:30pm
Uintah City Park (2105 E 6550S)**

What is TOUCH-A-TRUCK?

Children of all ages love big vehicles. At this **FREE** event, kids get to be up close to everything from a fire truck to a bull dozer. Touch-a-Truck provides a unique opportunity for children to explore vehicles of all types - public service, emergency, utility, construction, transportation, delivery and just plain cool - all in one place! Children will be allowed to touch, climb on and ask questions about their favorite trucks in a safe, supervised environment. Accompanying personnel will teach the children about the equipment displayed and how these machines help us and our community.

WHO CAN BRING A VEHICLE TO DISPLAY?

This event relies on the agencies, businesses, and organizations that are willing to bring a vehicle to share. We welcome any vehicle that is accessible to children. All that is required is that each vehicle be attended throughout the event. Businesses and agencies are welcome to include displays or advertisements along with their vehicles. **It costs nothing to enter a vehicle.**

If you are interested in bringing a vehicle (car or truck), or know someone who could bring a vehicle, please contact Brandon Hunt 801-668-2359 or go to www.uitahcity.com for registration form or for more information about U Days activities. Space is limited.

FIRE ENGINE RIDES

Free rides will be provided in our City's fire engine truck.

Fun for the whole family..... See you there!
