

2017 Mystery Quilt Information

Nine Colorways are Planned!

Just like we did last year, we will show you the fabrics used in the projects. This way, you can pick out colors that you like! We have subdued, bright, civil war and lots in between!

We know you are anxious to see the fabrics and we are working to get all the images collected in order to show you the colorways and let you sign up!

Reservation Fee

Your reservation fee pays for your final kit, and the billing details for your reservation are encrypted and not visible to us. After you place your reservation, we ask that you call us as soon as possible to give us your credit card details for your program. The 2017 billing will be similar to the 2016 - from \$29.99 to \$34.99 monthly depending on the type of fabric used in the project. Shipping details haven't yet been calculated.

You Will Make a Bed-Sized Quilt!

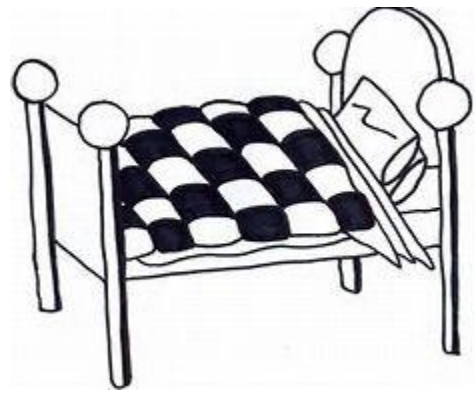

For this year's project, we are offering these components:

1) The basic quilt is 84" x 84" and includes the clues, cutting diagrams, full pattern at the end and binding.

2) An Extension kit will be offered that allows you to enlarge the quilt from 84" x 84" anywhere up to 104" x 104". We will show you the fabric images for the larger border options so you aren't operating totally in the dark! When you select an Extension Kit, we will cut it and send it with your next Clue.

3) Coordinating backing packages will again be offered. These have sold out quickly in the past, so it's a good idea to let us know early on if you'd like backing. Once you see the fabric images, it will be easier to list your 1st, 2nd and 3rd choices. Once you say Yes to backing, we will cut it and send it with your next Clue.

4) Several rulers are required for the project components. We will give you a list of the rulers that can be used (you may already have them!) and if you need any, we will have them available.

First Come, First Served!

Some colorways have more slots available than others - it all depends on the amount of fabric we were able to get. If you think you want an Extension Kit or backing, it would be a good idea to let us know as soon as possible. As orders come in for these components, we will cut them and ship them with your next clue.

Synchronization with BOM Programs!

We will send your first clue when we have cut the fabrics for your colorway. Subsequent shipments will be synchronized with your next Block-of-the-Month shipment.

Secret Facebook Group!

We have a Secret Facebook group for our Mystery Quilters - it's fun to be part of the excitement and share what you are doing with the others.

How Did it Work Last year?
