Where quilts get finished! TM

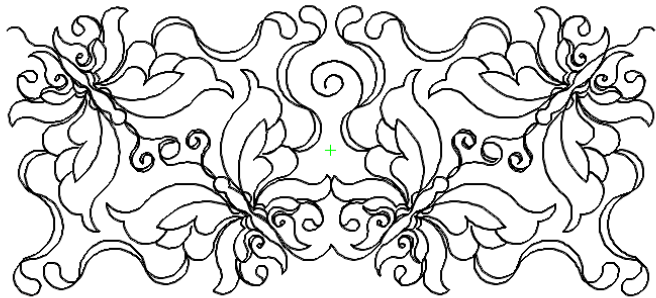

Dense pattern catalog

Patterns in this catalog are priced at 0.030 (3 Cents) a square inch. All patterns can be scaled larger or smaller. If I have included a size that is only my recommendation. Some of these may not look Dense however, they are very detailed and require a slower speed. The largest I am able to scale any pattern is 20 inches deep (High) most will not look good at that large of a scale.

All Patterns are copyright protected and may not be reproduced! ©
