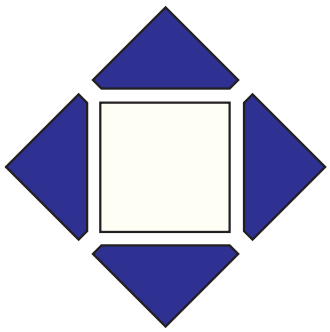
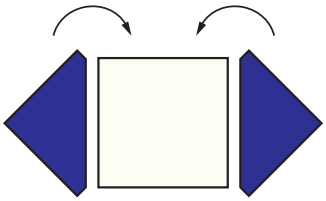
Making Square in a Square Center

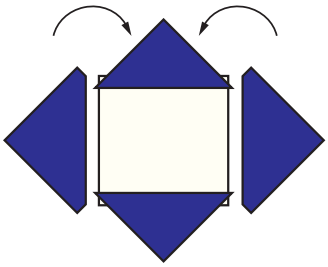
1. Lay out four triangles with one Square on Point.



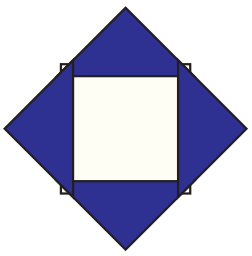
2. Flip two triangles right sides together to Square.
3. Set seams with triangles on top, open, and press toward triangles.

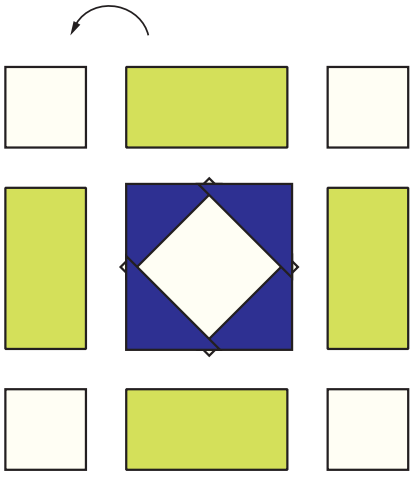


4. Place two triangles on remaining sides. Flip right sides together and assembly-line sew.



5. Press toward triangles.



Sewing Block Together


1. Lay out block with rectangles and squares.
2. Sew vertical rows together.
3. Sew remaining rows, locking seams and pressing toward rectangles.
4. Press seams away from center.
