

Summertime Caesar Salad

Ingredients

1 bag Leafy Romaine lettuce

4 marinated, grilled boneless, skinless chicken breasts; diced OR 3 cups shredded rotisserie chicken.

½ pound any pasta, cooked, drained and cooled

3 oz. chopped walnuts

1 lb fresh strawberries, sliced

Approx ¾ cup of your favorite Caesar salad dressing (I love Marie's Caesar dressing found in refrigerated aisle)

Parmesan cheese shaved ~ as much as you like

Croutons for garnish

Directions

In a large bowl, thoroughly mix the chicken, Romaine lettuce, walnuts and cooled pasta with the Cesar salad dressing. You really only need enough dressing to coat the lettuce and pasta, or add as much as you like. Fold in the sliced strawberries and shaved Parmesan. Chill for at least 3 hours. Garnish with croutons when serving. Keeps well for 3 days in the fridge.

Approx 6 servings.

Note: You can very easily adjust how much of this salad you want to make by adding or cutting back on all the ingredients as you wish.
